

NEWLY PUBLISHED BOOKS ON TRANSPORT AND TRANSPORTATION

Ablaev, V. V., Golubev, A. A. The devices of the signal system. Technology of service: Study guide [*Ustrojstva SCB. Tehnologija obsluzhivaniya: ucheb. posobie*]. Emperor Alexander I St. Petersburg State Transport University. St. Petersburg, PGUPS publ., 2017, 117 p.

Albekov, A. U. [et al]. Logistics: Textbook [*Logistika: uchebnik*]. Ed. by A. U. Albekov; Rostov State Economics University (RINH). Moscow, RIOR publ., 2017, 402 p.

Demin, S. S., Dzhamai, E. V. Economics, Organization and Management of Enterprise: Study guide / Moscow Aviation Institute (National Research University), Institute of Management, Economics and Social Technologies [*Ekonomika, organizatsiya i upravlenie predpriyatiem: ucheb. posobie / Mosk. aviats. in-t (nac. issled. un-t), In-t menedzhmenta, ekonomiki i soc. tehnologij*]. Moscow, Pero publ., 2017, 312 p.

Gorelikov, K. A. Anti-crisis management: Textbook [*Antikrizisnoe upravlenie: uchebnik*]. Moscow, Dashkov i K' publ., 2017, 214 p.

Gutsulyak, V. N. Russian and international maritime law (public and private); The center of maritime law, Institute of State and Law of RAS [*Rossiyskoe i mezhdunarodnoe morskoe pravo (publichnoe i chastnoe); Centr mor. prava, In-t gos-va i prava Ros. akad. Nauk*]. Moscow, Granitsa publ., 2017, 446 p.

Isaev, S. A., Stolyarov, O. G., Toropov, V. A. Testing of systems of on-board equipment of aircraft: Monograph / Moscow Aviation Institute (National Research University), Branch «Vzlet», Akhtubinsk [*Ispytaniya sistem bortovogo oborudovaniya letatel'nykh apparatov: monografiya / Mos. aviats. in-t (nac. issled. un-t), Fil. «Vzlet», g. Akhtubinsk*]. Volgograd, Publishing house of VolSU, 2017, 362 p.

Ivanov, A. Yu., Komashinsky, V. I., Malygin, I. G. Mobile distributed databases of an intelligent multimodal transport system [*Mobil'nye raspredelennyye bazy dannykh intellektual'noy mul'timodal'noy transportnoy sistemy*]. St. Petersburg, Institute of Problems of Transport n.a. N. S. Solomenko RAS, 2017, 166 ph.

Kachurina, T. A. Metrology and standardization: Textbook [*Metrologiya i standartizatsiya: uchebnik*], 5th ed., ster. Moscow, Akademia publ., 2017, 128 p.

Kalabukhova, E. P. Fundamentals of the theory of effectiveness of air firing and bombing: Study guide; Moscow Aviation Institute (National Research University) [*Osnovy teorii effektivnosti vozdushnoy strel'by i bombometaniya: ucheb. posobie; Mosk. aviats. in-t (nac. issled. un-t)*]. Moscow, Editus publ., 2017, 363 p.

Kochergin, V. I., Abramov, A. D. Vehicles on a special chassis: Educational guide [*Transportnye sredstva na special'nom shassi: ucheb. posobie*]. Ed. by A. Yu. Kirpichnikov. Novosibirsk, SGUPS publ., 2017, 149 p.

Kryanev, Yu. V., Motorina, L. E., Pavlova, T. P. Philosophy and methodology of science, technology, technology. Aerospace context [*Filosofiya i metodologiya nauki, tekhniki, tehnologii. Aerokosmicheskij kontekst*]. Moscow, Publishing house of MAI, 2017, 159 p.

Kuznetsov, A. L., Kirichenko, A. V., Galin, A. V. Forecasting the development of seaports on the basis of synergetic laws of development of complex interacting systems: Monograph [*Prognozirovanie razvitiya morskikh portov na osnove sinergeticheskikh zakonov razvitiya slozhnykh vzaimodeystvuyushchikh sistem: monografiya*]. St. Petersburg, Izd-vo GUMRF im. S. O. Makarova, 2017, 175 p.

Mailyan, D. R. [et al]. Designing of buildings and structures for industrial and civil purposes: Study guide [*Proektirovanie zdaniy i sooruzhenij promyshlennogo i grazhdanskogo naznacheniya: ucheb. posobie*]. Rostov n/D, Feniks publ., 2017, 412 p.

Makhin, V. P., Kudryashov, V. A., Ivanov, I. N. Marine terms and definitions. Brief Dictionary of Marine Terms: Study guide [*Morskie terminy i opredeleniya. Kratkiy slovar' morskikh terminov: ucheb. posobie*]. Ed. by S. Yu. Razvozov; 3rd ed., enl. St. Petersburg, GUMRF im. adm. S. O. Makarova, 2017, 108 p.

Mikhailova, E. A., Sbitneva, A. N. Management of industrial risks of a machine building enterprise: Monograph [*Upravlenie proizvodstvennymi riskami predpriyatiya mashinostroeniya: monografiya*]. Rybinsk, RGATU im. P. A. Solovyova, 2017, 141 p.

Murashev, S. V. Development of technical designs and methods for wastewater treatment and disinfection at offshore facilities in the Arctic. Abstract of Ph.D. (Eng.) thesis [*Razrabotka tehnikeskikh konstruktsiy i metodov oчитki i obezrazhivaniya stochnykh vod na morskikh ob'ektakh v Arktike: avtoref. dis... kand. tehn. nauk*]. St. Petersburg, 2017, 26 p.

Ovcharenko, Yu. N. Identification of aerodynamic aircraft by flight data [*Identifikatsiya ajerodinamicheskikh vozdushnykh sudov po poletnym dannym*]. Moscow, Publishing house of MAI, 2017, 182 p.

Rodichev, Yu. A. Normative base and standards in the field of information security: Educational guide [*Normativnaya baza i standarty v oblasti informatsionnoy bezopasnosti: ucheb. posobie*]. St. Petersburg, Piter publ., 2017, 254 p.

Sapronov, Yu. G. Safety of vital activity: Textbook, 5th ed., ster. [*Bezopasnost' zhiznedeyatel'nosti: uchebnik, 5-e izd., ster.*]. Moscow, Akademia publ., 2017, 334 p.

Shanyavsky, A. A., Banov, M. D., Beklemishev, N. N. Diagnostics of fatigue of aviation structures by acoustic emission [*Diagnostika ustalosti aviatsionnykh konstruktsiy akusticheskoy emissii*]. Moscow, Publishing house of MAI, 2017, 188 p.

Shepelin, G. I. Insurance in inland water transport: Practicum [*Strahovanie na vnutrennem vodnom transporte: praktikum*]. Moscow, MGAVT, Ch. 1. 2017, 152 p.

Solopov, V. I. Information technologies in the translation of texts of aviation and rocket-space topics: Study guide [*Informatsionnye tehnologii v perevode tekstov aviatsionnoy i raketno-kosmicheskoy tematiki: ucheb. posobie*]. Moscow, MAI publ., 2017, 163 p.

Vakulenko, S. P. [et al]. Moscow transport hub: development prospects: Monograph [*Moskovskiy transportnyy uzel: perspektivy razvitiya: monografiya*]. RAS, MGUPS (MIIT); ed. by S. P. Vakulenko. Part 2. Arrangement of passenger stop stations on railway lines [*Chast' 2. Razmeshhenie passazhirskikh ostanovochnykh punktov na zheleznodorozhnykh liniyakh*]. 2017, 93 p.

Vereina, L. I. Technical mechanics: Textbook [*Tekhnicheskaya mehanika: uchebnik*]. 13th ed., str. Moscow, Akademia publ., 2017, 220 p.

Vinogradov, V. M. Organization of production of maintenance and current repair of cars: Educational guide [*Organizatsiya proizvodstva tekhnicheskogo obsluzhivaniya i tekushhego remonta avtomobilej: ucheb. posobie*]. V. M. Vinogradov, I. V. Bukhteeva, V. N. Redin. 6th ed., ster. Moscow, Akademia publ., 2017, 269 p.

Vladimirov, B. M. Space weather and the biosphere. History of research and modernity [*Kosmicheskaya pogoda i biosfera. Istoriya issledovaniy i sovremennost'*]. Moscow, URSS publ., 2017, 111 p.

Zubrilov, S. P., Potapov, I. O., Yakovlev, A. V. Complex use of water objects: Study guide [*Kompleksnoe ispol'zovanie vodnykh ob'ektov: ucheb. posobie*]. St. Petersburg, Izd-vo GUMRF im. S. O. Makarova, 2017, 135 p.
