

NEW BOOKS ON TRANSPORT AND TRANSPORTATION

For the original list of editions published in Russian please see p. 320.

DOI: <https://doi.org/10.30932/1992-3252-2020-18-6-320-322>

Baskov, V. N., Ignatov, A. V., Slavina, Yu. A. Normative legal regulation of passenger road transport and urban surface electric transport: Study guide [*Normativno-pravovoe regulirovanie na passazhirskom avtomobilnom transporte i gorodskom nazemnom elektricheskoy transporte: Ucheb. posobie*]. Saratov, Saratov State Technical University, 2020, 177 p. ISBN 978-5-7433-3380-6.

Bobin, K. N., Gritsenko, V. A., Kurlaev, N. V., Maskaev, L. I. Design, testing and development of systems for the power plant of a supersonic aircraft: Study guide [*Konstruktsiya, ispytaniya i otrabotka sistem silovoy ustanovki sverkhzvukovogo samoleta: Ucheb. posobie*]. Novosibirsk, Publishing house of NSTU, 2020, 82 p. ISBN 978-5-7782-4240-1.

Bolotov, M. A., Vdovin, R. A. Promising technologies for manufacture of parts for engines and power plants: Study guide [*Perspektivnye tekhnologii izgotovleniya detalei i dvigatelei energeticheskikh ustanovok: Ucheb. posobie*]. Samara, Publishing house of Samara University, 2020, 105 p. ISBN 978-5-7883-1566-9.

Borgest, N. M. Aviation power plants: Study guide [*Aviatsionnye silovye ustanovki: Ucheb. posobie*]. Samara, Publishing house of Samara University, 2020, 127 p. ISBN 978-5-7883-1561-4.

Denisenko, G. V., Zolotareva, G. I. Financial control of environmental aspects of the activities of motor transport enterprises that carry out removal of solid municipal waste: Monograph [*Finansoviy kontrol ekologicheskikh aspektov deyatel'nosti avtotransportnykh predpriyatiy, osushchestvlyayushchikh vyvoz tverdykh kommunalnykh otkhodov: Monografiya*]. Krasnoyarsk, Siberian State University named after M. F. Reshetnev, 2020, 160 p. ISBN 978-5-86433-844-5.

Denisenko, O. I., Popov, I. V. Engineering and technical means of protection and supervision: Study guide [*Inzhenerno-tekhnicheskie sredstva okhrany i nadzora: Ucheb. posobie*]. Samara, Samara Law Institute of the Federal Penitentiary Service of Russia, 2020, 133 p. ISBN 978-5-91612-311-1.

Egorov, A. L., Sharukha, A. V., Kostyrchenko, V. A. Theory and practices of using snow compacting machines: Study guide [*Teoriya i praktika ispolzovaniya snegouplotnyayushchikh masin: Ucheb. posobie*]. Tyumen, TIU publ., 2020, 106 p. ISBN 978-5-9961-2178-6.

Ilyina, M. S., Grass, E. Yu., Pasyuk, E. D. [et al.]. The problem of assessing and ensuring competitiveness of transport services in Azov-Black Sea basin: Study guide [*Problema otsenki i obespecheniya konkurentosposobnosti transportnykh uslug v Azovo-Chernomorskom basseine: Ucheb. posobie*]. Kineshma, Kineshma-media publ., 2020, 102 p. ISBN 978-5-6044210-1-7.

Ivanov, V. A., Ogudova, E. V., Elkin, B. P. Progressive methods of laying main pipelines under difficult natural and climatic conditions: Monograph [*Progressivnye metody prokladki magistralnykh truboprovodov v slozhnykh prirodno-klimaticheskikh usloviyakh: Monografiya*]. Tyumen, TIU publ., 2020, 200 p. ISBN 978-5-9961-2428-2.

Krapivsky, E. I., Zemenkova, M. Yu. Production, transport, and storage of liquefied natural gases: Study guide [*Proizvodstvo, transport i khraneniye szhizhennykh prirodnnykh gazov: Ucheb. posobie*]. Tyumen, TIU publ., 2020, 221 p. ISBN 978-5-9961-2217-2.

Makashina, I. I., Marichev, I. V. Methodological and theoretical foundations of formation and development of maritime education in Russia (historical and pedagogical analysis): Monograph [*Metodologiko-teoreticheskiye osnovy stanovleniya i razvitiya morskogo obrazovaniya v Rossii (istoriko-pedagogicheskiy analiz): Monografiya*]. Novorossiysk, RIO GMU n.a. adm. F. F. Ushakov, 2020, 144 p. ISBN 978-5-89426-170-6.

Maltsev, D. V., Genson, E. M., Repetsky, D. S. Technologies of maintenance and repair of wagons: Study guide [*Tekhnologii tekhnicheskogo obsluzhivaniya i remonta*

avtomobilei: Ucheb. posobie]. Perm, Publishing House of Perm National Research Polytechnic University, 2020, 75 p. ISBN 978-5-398-02395-4.

Markov, E. V., Pulnikov, S. A., Sysoev, Yu. S. Engineering protection of cold pipelines in conditions of heaving soils: Study guide [*Inzhenernaya zashchita kholodnykh truboprovodov v usloviyakh puchinistyykh gruntov: Ucheb. posobie*]. Tyumen, TIU publ., 2020, 81 p. ISBN 978-5-9961-2283-7.

Merdanov, Sh. M., Egorov, A. L. Winter maintenance of roads: Monograph [*Zimnee soderzhanie dorog: Monografiya*]. Tyumen, TIU publ., 2020, 191 p. ISBN 978-5-9961-2305-6.

Pekhalsky, A. P., Pekhalsky, I. A. Maintenance and repair of electrical equipment and electronic systems of cars: Textbook [*Tekhnicheskoe obsluzhivanie i remont elektrooborudovaniya i elektronnykh sistem avtomobilei: Uchebnik*]. 2nd ed., ster. Moscow, Academia publ., 2020, 303 p. ISBN 978-5-4468-8707-1.

Peshkov, M. V. International Trade and Carriage of Cargo by Sea Transport: Textbook on sea transportation. Rostov-on-Don: [b. i.], 2020, 432 p. ISBN 978-5-6045227-8-3.

Pulnikov, S. A., Sysoev, Yu. S., Kazakova, N. V. Assessment of technical condition of pipelines by the dynamics of the operational position: Study guide [*Otsenka tekhnicheskogo sostoyaniya truboprovodov po dinamike ekspluatatsionnogo polozheniya: Ucheb. posobie*]. Tyumen, TIU publ., 2020, 81 p. ISBN 978-5-9961-2280-6.

Ryabchenkova, A. V. Transport in urban planning: Study guide [*Transport v gradostroitelstve: Ucheb. posobie*]. Irkutsk, Publishing house of Irkutsk National Research Technical University, 2020, 288 p. ISBN 978-5-8038-1574-7.

Shakhnov, S. F. Providing an accessible environment for people with disabilities in transport sector [*Obespechenie dostupnoi sredy dlya invalidov na transporte*]. St. Petersburg, GUMRF n.a. adm. S. O. Makarov, 2020, 74 p. ISBN 978-5-9509-0396-0.

Smirnov, V. N. A course of lectures on organisation, planning and management of construction of bridges: Study guide [*Kurs lekttsii po organizatsii, planirovaniyu i upravleniyu stroitelstvom mostov: Ucheb. posobie*].

St. Petersburg, Publishing house DNK, 2020, 206 p. ISBN 978-5-9939-0017-9.

Smolyanitsky, L. A. Roadbed of railways and highways: Study guide [*Zemlyanoe polотно zheleznnykh i avtomobilnykh dorog: Ucheb. posobie*]. Voronezh, Branch of RSTU in Voronezh, 2020, 168 p. ISBN 978-5-6042921-8-1.

Sukhareva, S. V., Teslova, S. A. Transport statistics (advanced level): Study guide [*Statistika transporta (prodvinutiy uroven): Ucheb. posobie*]. Omsk, Publishing house SibADI, 2020, 136 p.

Tereshina, N. P., Podsorin, V. A. [et al]. Railway transport economics. Introductory course: Textbook: 2 parts [*Ekonomika zheleznodorozhnogo transporta. Vvodniy kurs: Uchebnik: v 2 ch.*]. Ed. by N. P. Tereshina, V. A. Podsorin. Moscow, TMC for education on railway transport, 2020, Part 2, 387 p.

Tiraturyan, A. N., Chernov, S. A. Fundamentals of airfield design: Study guide [*Osnovy proektirovaniya aerodromov: Ucheb. posobie*]. Rostov-on-Don, DSTU publ., 2020, 83 p. ISBN 978-5-7890-1838-5.

Toropov, S. Yu., Dorofeev, S. M., Toropov, E. S. Technologies of trenchless repair of pipelines: Monograph [*Tekhnologii bestransheynogo remonta truboprovodov: Monografiya*]. Tyumen, TIU publ., 2020, 232 p. ISBN 978-5-9961-2240-0.

Vinogradov, B. S. Aviation centrifugal compressors: Study guide [*Aviatsionnye tsentrobezhnye kompressory: Ucheb. posobie*]. Kazan, Publishing house of KNRTU-KAI, 2020, 306 p. ISBN 978-5-7579-2434-2.

Yarkov, S. A., Morozov, V. V. Improving the efficiency of organisation of road traffic in cities: Monograph [*Povyshenie effektivnosti organizatsii dorozhnogo dvizheniya v gorodakh: Monografiya*]. Tyumen, TIU publ., 2020, 160 p. ISBN 978-5-9961-2291-2.

Zagorskiy, I. O., Volodkin, P. P., Lanyugova, A. E. Features of organisation of passenger transportation for state and municipal needs: Monograph [*Osobennosti organizatsii perevozok passazhirov dlya gosudarstvennykh i munitsipalnykh nuzhd: Monografiya*]. Khabarovsk, TOGU Publishing House, 2020, 99 p. ISBN 978-5-7389-3200-7.
